Resident High Speed Internet Services Public Meetings

Public Affairs Officer Susan Burness from City of Dublin

The City of Dublin will continue discussion and research regarding high speed internet services for residential use. Following public meetings this spring, a resident work group has been formed to take the lead in resident use/needs data gathering and resident-to-resident communications. More information can be found at www.dublinbroadband.org.

Three additional public meetings have been ... [View more](#)
